ENDOW A
BOOK FOREVER
AT NORTHLAND

The knowledge in a book can be eternal and touch thousands of minds. However the book itself, a product of paper, thread and fiber, can not withstand the touch of thousands of hands. The average library book is worn-out in just a few years. The Perpetual Book Endowment Fund will ensure that these books will be available now and in the future.

With a one time contribution of $300 or more, you can become a part of Northland Public Library Foundation's Perpetual Book Endowment Fund. The earnings of the Fund will be used to purchase new items annually. The collection will be enlarged every year. You can designate the category for the selection of the initial purchase. Each item added will contain a special bookplate and your name will be inscribed on a plaque along with the year of contribution.
